Dear Friends,

# GAME CHANGERS

are those who, through their leadership and commitment, transform a situation. They look at a crisis and see not only danger, but opportunity. They aren't just dreamers, they are doers.

When it comes to justice, **every one of you is a game changer.**

Through your support of the Legal Aid Foundation, you are investing in **solutions**—game changing solutions—for low income Coloradans.

Rather than providing temporary beds, **your contributions** saved homes by preventing wrongful evictions and foreclosures.

Rather than stocking a food bank, **your generosity** provided long term economic security and stability for families bankrupted by medical bills or cheated by unscrupulous opportunists.

Rather than staffing an emergency shelter, **your commitment** freed people from a continuing lifetime of abuse.

For the hundreds of Coloradans who are facing a life crisis of some sort every day, the most powerful and effective response often includes legal assistance—and, by supporting the Legal Aid Foundation, **you** make that happen.

In this time of great need and scarce resources, you stepped up **in record numbers** and **at record levels** to invest in helping low income Coloradans solve their legal problems.

On behalf of all those whose lives you've changed, **thank you!**

**DIANA M. POOLE**
Executive Director
Legal Aid Foundation

**HUGH Q. GOTTSCHALK**
Board of Trustees Chair
Legal Aid Foundation

**JONATHAN D. ASHER**
Executive Director
Colorado Legal Services

# COLORADO LEGAL SERVICES

Your contributions to the Legal Aid Foundation support Colorado Legal Services, which is the only agency in the state that provides free civil legal services to indigent clients in every Colorado county.

Priority is given to addressing legal issues that threaten the basic necessities of a decent life, including at least minimally adequate income, food, shelter, utilities and medical care, freedom from domestic violence and abuse, and the protection of individual rights of the elderly and those who are physically and mentally disabled.

With few exceptions, those served live at or below 125% of the federal poverty guidelines. The most recent Census Bureau survey found that there are now more than 880,000 Coloradans who are income-eligible for legal aid services.

## MAXIMUM INCOME LEVELS FOR ELIGIBILITY

| FAMILY SIZE | MONTHLY INCOME | ANNUAL INCOME |
|---|---|---|
| 1 | $1,197 | $14,363 |
| 2 | $1,616 | $19,388 |
| 3 | $2,034 | $24,413 |
| 4 | $2,453 | $29,438 |
