OUR THANKS

Dear Friends,

The concept of equal justice is a relatively simple one. It's grounded in American democracy, and embedded in the values of our Constitution. Ensuring justice for all, however, is anything but simple. Thankfully, here in Colorado, there are people like you who help.

Although you don't go to work every day in a hardhat, you are integral to building a foundation of equal justice in our state. Just as surely as bricks and mortar transform architectural drawings into new buildings, your commitment to legal aid and your generosity transform equal justice from an aspiration to a practical reality for thousands of low income Coloradans.

As highlighted in these pages, that practical reality is compelling. Thanks to your support, parents are better able to feed their children, and families to keep their homes; seniors and people living with disabilities receive necessary healthcare; veterans access the services they've earned; and victims of domestic violence realize an economically-sustainable future free from abuse.

Thank you for your commitment to equal justice and for your continued support. We are deeply grateful, as are all those you help us serve.

COLORADO LEGAL SERVICES

Your contributions to the Legal Aid Foundation support the work of Colorado Legal Services, the only agency in the state that provides free legal services to indigent clients in every Colorado county. Colorado Legal Services provides necessary legal assistance in civil matters to Coloradans in the greatest economic and social need.

In 2014, services were provided in **13,579 legal matters** to low-income Coloradans. Colorado Legal Services also stretched its limited resources with technology, *pro se* materials, self help programs, clinics, and *pro bono* programs to serve many more.

FAMILY

Tracey and her daughter were among the many legal aid clients who received help with problems related to divorce, custody, child support, domestic abuse, parental rights, adoption and guardianship, and other family matters.

COLORADO LEGAL SERVICES

CONSUMER/FINANCE

Lucia was among those who received help with problems related to bankruptcy, collections, contracts, access to credit, predatory lending, loans, unfair sales practices, utilities, and other consumer issues.

With few exceptions, those served live at or below 125% of the federal poverty guidelines. The most recent Census Bureau survey found that there are now nearly 900,000 Coloradans who are income-eligible for legal aid services.

4	$2,526	$30,313

HOUSING

Rob and his family were among those who received help with problems related to eviction, foreclosure, public housing, landlord/tenant, and other housing matters.

Colorado Legal Services operates **14 offices** throughout Colorado providing free civil legal services to those who would not otherwise have access to the justice system.

$6.71

A 2014 Social Return on Investment Analysis found that for every dollar spent for Colorado Legal Services' operations, **$6.71** of immediate and long-term financial benefits are delivered to the community.
