Dear Friends,

Difficult jigsaw puzzles can be daunting, requiring the careful assembly of many small interlocking pieces to form a complete picture. The same can be said about an effective civil legal aid delivery system. All of the many pieces must be in place to ensure equal justice. Thankfully, here in Colorado, we have people like you to help put those pieces together.

In 2017-2018, for the very first time, the proceeds of our annual Campaign for Justice exceeded $2 million. This would not have been possible without the many volunteers who participate on our campaign committees. Nor would it be possible without a legal community that cares deeply about equal justice, and acts generously on that commitment year after year.

Through your participation in the annual Campaign, every single one of you helps breathe life into what otherwise can be an empty promise of “justice for all.” Your collective generosity helps extend that promise to every corner of our state. And your loyalty over time helps improve the economic, social, and health conditions for low-income Coloradans and their families.

Thanks to your extraordinary support, many no longer face the threat of homelessness. Others are finally free from physical abuse or financial exploitation. Still others are now receiving desperately needed medical care or disability benefits. All, thanks to you, are in a better position to resume healthy, productive lives because they received the legal assistance they needed at a critical moment.

Every piece of a puzzle contributes to the full picture, but experts always recommend assembling the border pieces first. Those are the pieces that give you a framework within which you can lay out the rest of the puzzle and complete the picture. When it comes to legal aid, you are our border pieces. Your commitment and leadership are key to making equal justice a reality in Colorado, and we are deeply grateful.

Thank you for your continued support.

Your contributions to the Legal Aid Foundation support the work of Colorado Legal Services (CLS), the only program in the state that provides civil legal help to indigent clients in every Colorado county. CLS provides necessary legal assistance in civil matters to Coloradans in the greatest economic and social need.

In 2017, CLS closed 7,078 cases benefiting 17,389 low-income Coloradans. CLS also stretched its limited resources with technology, pro se materials, self help programs, clinics, and pro bono programs to serve many more.

COLORADO LEGAL SERVICES 2017

- 7,078 cases handled
- 17,389 individuals benefited
- $2,152,960 in awards and benefits for clients
- 78,179 unique web site visitors for self-help legal information
- 6,119 received legal information at outreach events
- 11,873 referrals made for other assistance
- 9,108 pro bono hours provided by attorneys
Colorado Legal Services operates 13 offices across the state, providing free civil legal help to those with nowhere else to turn.

Thank you to the following individuals who have made a significant contribution to the Foundation's Endowment Fund or included the Foundation in their estate plans in order to continue to make access to civil justice a reality in the future.

SPECIAL THANKS TO THE COLORADO AND DENVER BAR ASSOCIATIONS

As our over-35-year sublease arrangement with the Colorado and Denver Bar Associations enters its final months, we are even more mindful of the unfailing support we have received over so many years from the CBA, the DBA and their leadership, not the least of which has been the past six years of rent abatement. The bars’ rent abatement decisions alone preserved more than $117,000, or an average of $19,500/year, to help meet the civil legal needs of low-income Coloradans. And this is to say nothing of the other financial and in-kind support we’ve received over the years. As we have said so often in the past — and, if past history is our guide, will undoubtedly have many more occasions to repeat in the future — we are very fortunate to have bar leadership here in Colorado who are committed to equal justice and who make that commitment tangible so often and in so many ways.
